December 2016

## Calendar

**December 13th – Christmas Party 6:30 PM at  
Pioneer Family Restaurant**

## Message from the President:

All right, that's it – no more cracks about my bad jokes. During his demonstration in November, Bob told jokes that make mine look down right sophisticated ... I loved it! His demonstration was quite good as well. I truly enjoy the opportunity to see a demonstration put on by one of our own, like Bob and Earl most recently. We truly are fortunate to have as many fine turners in our group as we do.

### President's Challenge

**December:** This month is our annual Christmas outing. The President's Challenge is that you make something for the gift exchange!

**January:** It is a New Year! Make something you have never made before and bring it in for the President's Challenge. For the new turners this should be fairly easy. For those of us who have been at it a while it may be a bit more difficult to come up with something we have not done.

### AAW

There is a new feature on the AAW web site, [AAW EXPLORE!](#) enables members to explore the most extensive online woodturning library in the world for projects, tips, articles, and more. Check it out

Guest Membership for 60 days for free: I really do recommend membership if for no other reason than the *American Woodturner* journal. Follow this link to learn more:

Registration for the 2017 AAW Symposium is open, see

### North Carolina Woodturning Symposium

Last month I put out a call for help with the upcoming Regional Symposium. In addition to volunteers to help set up, tear down, video, etc., we need housing for visiting demonstrators. If you can put up a woodturner for the first weekend of November 2017, it will be quite helpful. Just let Bob Muir or me know if you can make a space for a guest.

Jim Barbour  
President
