

## Calendar

**January 8<sup>th</sup> – Morris Schlessenger**  
Baxter Threadmaster (hands-on)

If you are planning to attend the symposium this is an opportunity to save \$25 - which you can then spend in the Vendors' Area (which looks to be the largest ever, with 120+ vendors expressing interest and 50+ already registered).

## Message from President Barbour

Such weather! Oh, well, I suppose the adage that nothing much changes in North Carolina except the weather is apropos.

I seem to be having a run of bad timing. I will not make the January meeting, which means the three meetings I have missed in the past year or so have ALL featured demonstrations I really wanted to see. RATS!

**At the moment we have roughly 30 paid members for 2019. Bring your dues (\$30 individual, \$45 family, <18yrs free) and give to Bob Schasse or Bob Holtje.**

As you are likely aware, the AAW Symposium for 2019 will be in Raleigh in July. We have an opportunity to purchase registration at a \$25 each discount (\$300 rather than \$325). This is done through the club and we as a chapter must commit to at least ten attendees by February 28, 2019. Full payment is due to AAW by April 1, 2019.

To participate you need to let me (jim@shopdogturnery.com) know as soon as you are sure you are attending. When I have 12 people commit I will let the AAW know that we, as a chapter, will have at least 10 people participating.

**AAW:** The AAW Symposium is in Raleigh this year (July 11-14). This is the largest gathering of

woodturners in the world, and well worth the cost in both time and treasure to attend.

### ON-GOING PROJECTS

**Beads of Courage boxes:** Let's keep those boxes coming in!! At the risk of being called a squeaky wheel, I am repeating the call for Beads of Courage Boxes - again. Remember, the limits on these boxes are really pretty open in terms of style so feel free to let your creative juices flow. Just remember that these are for some very ill children so do keep within the guidelines. As you plan out your boxes please take the time to read this: <http://www.beadsofcourage.org/pages/woodturners.html>

Also, here is a link to images of BOC boxes to get the juices flowing: [https://www.google.com/search?tbm=isch&source=hp&biw=1280&bih=634&ei=ozZZWs7MIIGMgge1maGoBQ&q=beads+of+courage+boxes&oq=beads+of+courage+boxes&gs\\_l=img.3..0.2660.11890.0.12377.27.16.1.10.10.0.66.783.14.14.0....0...1ac.1.64.img..2.25.832.0..oi30k1joi24k1.0.XKyqeEN5XLo](https://www.google.com/search?tbm=isch&source=hp&biw=1280&bih=634&ei=ozZZWs7MIIGMgge1maGoBQ&q=beads+of+courage+boxes&oq=beads+of+courage+boxes&gs_l=img.3..0.2660.11890.0.12377.27.16.1.10.10.0.66.783.14.14.0....0...1ac.1.64.img..2.25.832.0..oi30k1joi24k1.0.XKyqeEN5XLo)

### PRESIDENT'S CHALLENGE

**January:** Turn something and color it. Use the technique demonstrated by Jim in November, or use one of Earl's ideas he has shown us in the gallery over the years, or use an airbrush, or just stain it. As long as it is turned and colored it counts.

**February:** Turn something threaded. Hand chased, Tool threaded (Baxter, Nova, etc), CNC, Tap and Die, Insert (metal, PVC, etc); let your imagination run, as long as the piece is threaded.
