November 14 – Rapid Fire Demonstrations
Louise Butler – Pen Making & Ring Making
Bob Moffett – Christmas Trees
December – 12 Christmas Party

Message from the President:

How did the tool swap work out for you? I found a couple of items I brought home, and provided a few for someone else to take home. That makes it a success from my point of view. I hope you had a similar experience.

Thanks to Louise Butler, Dave MacInnes, and Linda Michael for providing the demonstrations, all were well done, and those who visited the areas were rewarded. We are doing a similar demonstration format this month, with three separate demonstrations in rapid-fire presentation, one following another. Louise Butler will present Pen Making and Ring Making, and Bob Moffett will present making Christmas Trees.

In December we have our Christmas Party – be sure to get your name on the list!! – and in January we will have a demonstration of Beads of Courage box making.

Purple Heart Pens: As you know we are making 135 purple heart pens – from purple heart – for the Military Order of the Purple Heart, NC M.O.P.H. Chapter 638. George Sudermann is heading up the effort, and will have the wood and the hardware for everyone at the November meeting.

The 2017 NC Symposium is complete. Bob Muir and I will be happy to give you a report, and answer any questions you may have. A hearty THANK YOU to everyone who helped out in making the symposium, and in particular our room, a rousing success.

Symposium Followup:

A GREAT BIG THANK YOU to all the club volunteers who helped make the 2017 NC Woodturning Symposium a success. They are Martha Hunter (who helped with registration and occupied the information booth for three days), Chris Roe (assisted with the operation of the Instant Gallery), the video operators Tim Smith, David McInnes, Bob Holtje, Robert DeHart, Lan Brady, Michael Thompson, and the equipment crew Michael Thompson, Timothy Smith, Jimmy Murray, Milt Transou, Jim Terry, Lan Brady and headed by Jay Mullins. The equipment crew on

Thursday loaded the trailer, on Friday they unloaded it and set up our demonstration room on Sunday they loaded everything up again and cleaned up the demonstration room and then on Monday they moved everything back into the Recreation Center.

Now since the NC Woodturning Symposium, Inc. is an entirely volunteer operation, thanks are also due to our club members who are part of that effort: Jim Barbour, Bob Muir, Geoff Purser (Treasurer), and Jim Terry (web master and go-between with PayPal).

There were 290 people who registered for the symposium and enjoyed and learned from the demonstrators, as well as, made new turning friends and renewed old relationships, bought a lot of wood and tools from the great selection of vendors and viewed the fantastic Instant Gallery.
