Calendar

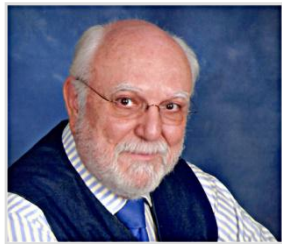

All upcoming events have been postponed due to the Covid-19. Take care of yourselves and those around you

until the general gallery is complete and then show them in order of the months.

Then Phil, Jerry (or at least me in proxy for Jerry), and Jeff Clark will show the Turner of the Month items.

Following that it is off to George's shop with the others to follow in order.

Here are a couple of photos to whet your appetite:

NOTE FROM THE PRES

I thought the first Zoom meeting went well. We only had one person that I know of who tried to join and was unable to do so, and the quality

of the work shown was excellent. Hopefully at our meeting coming up on the 9th we will have no one unable to join in. Thanks to everyone for your patience and forbearance in these troubled times.

This meeting we are in for a treat – one which we would find difficult to do in an in-person meeting. We are going to get tours of six of our members' shops. George Sudermann, Bob Schasse, Don Murray, Robert DeHart, Steve Coley, and Nim Batchelor have all agreed to show us where they work.

The structure of the meeting will be similar to the in-person structure. I will start us off with a few words, Bob Schasse can give us a Treasurer's report, Other announcements will be solicited. Then we will move to an instant gallery so have your pieces ready to show. Only one per person so we can keep moving. Say a few words about what is unique in your piece, what wood you used, and any tips, tricks, or difficulties you want to share. If you have a piece for the Member Challenge from April, May, or June, now is the time to show them. We will hold them

Jim

AAW SYMPOSIUM

The AAW symposium for 2020 has been cancelled. The 2021 symposium is scheduled for July 15-18 in Omaha, Nebraska.

ON-GOING PROJECTS

Beads of Courage boxes: Let's keep making those boxes!! Now is an ideal time as you run out of turning ideas to turn to Beads of Courage. Nim Batchelor has been kind enough to volunteer to take over the Beads of Courage Boxes Project. He is in contact with both state and national BOC personnel and we can expect him to move the project forward. Sharpen your bowl gouges, we need BOC boxes!!
